FREQUENTLY ASKED QUESTIONS

CAN I BRING FRIENDS?

Please let us know if guests are attending. It's great that you want to share this moment with your loved ones however a party is very different to a couple's event. Fees sometimes apply and \$200 security bond is required.

CAN I BRING MY OWN SERVICE PROVIDERS?

We prefer using our recommended businesses as they know how we operate. If you choose to bring along your own providers. Please enquire to see if additional management fees apply

WHAT HAPPENS IF IT RAINS?

We have you covered! We are very proud to have developed a contingency document which gives you very specific details about your options. Contingency is EVERYTHING when you are planning the most important day of your life!

WILL YOU CANCEL MY BOOKING IF YOU GET A BETTER OFFER?

Never have, never will! But we have rescued many clients over the years when other service providers have

WILL YOU CALL ME UNEXPECTEDLY?

Absolutely not. We only respond to texts if you text us first and never make unscheduled calls. .

CAN YOU SUPPLY FOOD?

Honestly... It is kind of an anticlimax to sit and eat during the proposal. We find most or all of the food goes to waste. While it can be arranged, we recommend eating after the event.
